**6. Date Month Year Accessed.**

**7. <URL>.**

**\*URL Note: URL is optional unless the source cannot be located without it or if required by your instructor.**

**“The driver of a New York commuter train that derailed on Sunday, killing four people, told investigators he ‘lost focus’ and went into a daze shortly before the crash, according to a law-enforcement source” (Hosenball). Despite the fact that the driver had several accolades, the driver is, after all, corporeal.**

The majority of lung cancer cases are the result of smoking. Statistics indicate that eighty-five percent of lung cancer patients at Somewhere Cancer Center were long-term smokers (Smith 2). One patient said, "I smoked a pack a day for twenty years, and I'm paying for it now" ("Why Smoking Kills").

## Basic In-Text Citation Information

1. Gives location (and credit) for evidence
2. For multiple works, identifies specific source
3. Used for direct quotes AND paraphrases
4. Period ALWAYS comes AFTER the citation

## Format

### 1. Example:

- (Author's Last Name Page #)
- (Smith 23)

### 1. Essays with only one source/text do not need author's name

- Acceptable to use (23)

Paraphrasing Citation

The majority of lung cancer cases are the result of smoking. Statistics indicate that eighty-five percent of lung cancer patients at Somewhere Cancer Center were long-term smokers (Smith 2). One patient said, "I smoked a pack a day for twenty years, and I'm paying for it now" ("Why Smoking Kills").
